IN3038SL

Features

You'll never run out of entertainment options with Google TV.

Built-in streaming apps Netflix and YouTube right at your fingertips. Streaming services available to subscribers only. Check with local providers for streaming service availability in your region.

*Available to subscribers only. Check with local providers for streaming service availability in your region.

Get A Perfectly Aligned Image Every Time with Auto Image Smart Sensors

Built-in state-of-the-art smart sensors take the tedious out and calibrates the image automatically for a perfect display no matter where you set it up.

Get up to 120" cinematic screen with just a small distance

With 1.25:1 projection ratio, you can enjoy optimal image size from 40"-120".

Rich and Clear Audio Speakers To Fill The Room

2 x 5W speakers for all-around cinematic audio to add to your visual experience

Native 1080p Full HD resolution for captivating visuals

Experience movies and home entertainment visuals that come to life on your screen with vivid colours and sharp details.

Dual-Band WIFI and Bluetooth For Stable and Seamless Connectivity

Significantly improve your streaming experience with dual-band WiFi network for lag-free connection to enjoy smoother videos and gameplay. Connect effortlessly to headphones, speakers, or game controllers via Bluetooth for an enhanced audio experience.

Experience 25000 Hours of Awesome Entertainment

Packed with 25000 hours of visual goodness for movie nights, game nights, karaoke time, or even just a quick exercise routine so you can turn any room into a personal cinema, gaming arena, or fitness studio.

Plug and Play Multimedia Playback

Simply connect your external storage devices, like USB drives or harddisk and start enjoying your content right away.

Effortless Voice Control

Activate Google Voice Assistant to search for content. “Hey Google, search for funny animal videos on Youtube.”

It's Easy To Move It Around

At just 2.07kg, even the kids take it anywhere. Whether it's movie night at the neighbour's house, outdoor movie night or just the kids bedroom story time, it's a breeze to move it around.

No More Squinting over a Small Screen

Support mirroring so you can seamlessly share content for enhanced viewing experience

Display

Model	Apex Master
